Last Chance to Take Advantage of  
This Mammoth Vote Inducement,  
Which is Guaranteed to be the Big-  
gest and Best Vote Offer of the  
Contest—Don't Let This Opportu-  
nity Pass By Without Taking Full  
Advantage of It—Never Again Will  
You Be Able to Get As Many  
Votes on Your Subscriptions as  
Right Now.

## CONTEST CLOSES JULY 17

Only a Short Time Left of the Big  
Race for Glory and Prizes—Put  
Forth Your Most Active Efforts  
Between Now and June 21st, the  
Close of the Biggest Vote Offer and  
Gather in All Possible Subscrip-  
tions.

Monday, June 21st—Last Chance

We wish to impress upon the  
contestants and their friends that  
Monday, June 21st is positively  
your last chance to take advantage  
of the Big Triple Vote Offer, which  
is guaranteed to be the BIGGEST  
AND BEST Vote Offer of the  
Contest. So don't hold back sub-  
scriptions with the expectation of  
getting bigger votes for if you  
do, you will be greatly disappoint-  
ed. After June 21st, the vote  
schedule will take a most decided  
drop and will continue lower dur-  
ing the remainder of the contest.  
Until 9 o'clock Monday night,  
June 21st, three times the usual  
number of votes will be given on  
all old subscriptions and more than  
three times the usual number of  
votes will be given on new sub-  
scriptions turned in before the  
above date and hour. The schedule  
published on this page includes all  
extra votes.

Subscriptions sent by mail will  
be accepted and counted under this  
big vote offer if mailed from any  
postoffice and the envelope contain-  
ing the subscriptions is postmark-  
ed not later than 9 p. m., June 21st.  
This gives contestants living at a  
distance an equal chance with those  
living close to Stanford for they  
can work right up until the last  
hour before the close of the big  
vote offer and then mail in the  
subscriptions from their local post-  
office.

She who hesitates is lost. Monday,  
June 21st is the last day of the Big-  
gest and Best Vote Offer of the con-  
test, the day of all days, the day  
which may spell victory or defeat for  
you according to the way you take ad-  
vantage of the mammoth vote in-  
ducement. It will be the last chance  
to secure three for one on your sub-  
scriptions.

This is an offer which in justice  
to yourself, you cannot refuse to take  
advantage of, for on the amount of  
work and hustle you put forth be-  
tween now and Monday night may de-  
pend the decision of the final prizes.  
If you ever expect to do anything  
in this contest, do it this week. It is  
"your" chance—the chance of a life-  
time. It may prove the means of your  
winning the final prize you desire and  
you should not lose sight of this fact  
but work with renewed determination  
to take advantage of every circum-  
stance and condition that will aid you  
in this race. If you have friends who  
have told you to see them later or  
have promised to aid you later, then  
now is the time to go to them for their  
assistance. Don't be afraid of doing  
too much for every successful person  
has done too much in the eyes of the  
jury. It is better to have a surplus of  
votes at the last than not quite enough.

Go In To Win.  
You are in this contest for the pur-  
pose of winning. Go out with a de-  
termination to win. Do not be one  
of those kind who no sooner start a piece  
of work than they are staid with a  
desire to do something else, and so  
rush through with the work in hand  
with breakneck speed, slightlying it  
for the work in mind. Learn to stick. Do  
not be a victim of the "by and by"  
and "time enough" mottoes. Alas for  
the people who are going to do  
something.

Get Busy This Week.  
If you have an ambition of purpose  
in your mind, do it at once. There is  
no time to waste while the big vote  
offer is in force. Do something toward  
the beginning. Rouse yourself from  
that lethargy of dreams and make a  
start. It is wonderful the power that  
comes to us after we begin in thing.  
With every postponement of this be-  
ginning, just so much power is dis-  
sipated. The road to Success lies along  
the pathway of Decision, up the hill  
of Endeavor and across the bridge of  
Patience. The road to Defeat lies  
through the "Valley of Pretty Sorry"  
and along the "winding paths of Wait  
Awile." Whatever you intend to do  
by and by, DO IT NOW.

Make every day count for some-  
thing—not merely as an added day  
but as added day with something  
worthy achieved.  
Count that day lost  
Where low, dejected sun  
Views from thy hand  
No worthy action done.  
Notes About The Contest.  
If there is any mistake in the count  
of any contestant's vote up to the  
present date, call it to the attention  
of the contest manager before next  
Thursday night. Otherwise the stand-  
ing as published today must be taken  
as correct.  
The Interior Journal's big Travel  
Tour and Prize Contest will close on  
Saturday, July 17th. The biggest and  
best vote offer of the contest will  
close next Monday night, June 21st  
and after that time the vote schedule  
will be much lower.

party at the home of Miss Mattie  
Adams on the past evening.

urday and will continue 21 days through  
July 3rd. A number of competent  
clerks are assisting Mr. Lyons in his  
rush to wait upon customers.

Misses Ray and Ella Henry enter-  
tained their guests, Miss Nina Durn-  
ing and brother, Orville Durnum, of  
Decatur, Ill., by an outing to Lexing-  
ton, Shakerstown and High Bridge.

The information was received by  
Garrard relatives of the death of John  
Wright at his home in Richmond. The  
little boy was the son of Mr. and Mrs.  
Bud Wright and died of measles.

Miss Elizabeth Collier, of Middle-  
boro, formerly of this place, and who  
taught in the Graded School in Mid-  
dleboro last year, has accepted a po-  
sition in Pineville for the coming  
term.

Capt. Isaac Myers, one of the most  
esteemed Confederate veterans in the  
community, who recently suffered a  
cerebral hemorrhage at his home two  
miles from Lancaster, shows improve-  
ment.

Misses Katie Lynn and Sarah  
Wood, of Stanford, were over for the  
commencement exercises at the Lan-  
caster Graded School, and guests of  
their uncle, Mr. G. B. Swinebroad  
and wife.

Mrs. R. E. McRoberts gave a din-  
ner party for her hands on home on  
Danville street in compliment to Mrs.

and daughter.

The contract for repairing the  
courthouse has been awarded to the  
Raymond Construction Company of  
Cynthiana for the sum of \$15,546.

This is the same company that erect-  
ed the Graded School building here some  
two years ago.

Much surprise was abroad in the  
community when it was known that  
Miss Willie Wilkinson and Dr. Casey  
had eloped. The bride is the popular  
and attractive daughter of Mr. and  
Mrs. R. B. Wilkinson and lived in  
Stanford before coming to Lancaster,  
while the groom comes highly re-  
commended, being a veterinary sur-  
geon, hailing from Danville.

The following D. D. teachers have  
returned for vacation: Miss Edna  
Kavanaugh, from St. Augustine, Fla.;  
Miss Angie Kinnaird from Indianapo-  
lis, Ind.; Miss Margaret Morrow from  
Columbus, Ohio; Miss Allie Arnold  
who has taught successfully for several  
years in a D. D. College in Penn-  
sylvania is expected home about June  
20th.

Herbert Whittaker, son of William  
Whittaker of this place met with quite  
a painful accident while visiting his  
grandfather, Thomas Barker, near  
Miller's Store in Jessamine county.  
In turning an empty stone he caught  
his right hand in the cogs of the wheel  
and the middle finger was so badly  
crushed it had to be amputated.  
Mrs. Fannie Pollard was most  
agreeably surprised when all of her  
children, seventeen in number, and  
great-grand children gathered at home  
near Markersburg in celebration of her  
70th birthday. A few friends were  
invited to help celebrate the occasion  
and all went to the home with well  
filled baskets. The bounteous dinner  
was served by a faithful family ser-  
vant who has been with the family 25  
years and was spread in the large  
yard. The gathering represented four  
generations and was a happy mingling  
of a number of devoted families.  
Many useful and desirable gifts.  
The community was much shocked  
on Tuesday morning when it was  
known that Mrs. Rebecca West had  
suddenly expired. She had been com-  
plaining some recently of rheumatism,  
and that morning on awakening she  
told her daughter she was suffering  
from a pain in her side. She was  
affectionately known as "Aunt

## HAMMOND'S COUNTRY STORE WITH CONTENTS BURNED

Big Store on Danville Pike Goes Up  
In Flames at Early Morning Hour  
Believed to Have Been Robbed.

The large country store on the Dan-  
ville pike just beyond Hanging Fork  
bridge, belonging to T. B. Hammonds  
the well-known farmer-merchant,  
burned to the ground about 4:30  
Monday morning, together with its  
contents, consisting of about \$6,000  
worth of goods, according to the  
statement of the proprietor. The  
building was valued at \$1,000. An  
insurance policy of \$4,000 with the  
insurance firm of Bromley & Brom-  
ley, of this city, is held by Mr. Ham-  
monds. Mr. Hammonds and his son,  
Dr. Hammonds, were in Russell county  
at the time, but arrived last night.  
In speaking of the fire, Mrs. Ham-  
monds said: "We were coming home  
suing from the building and ran to  
it to see if we could get anything out,  
but the flames had reached too great  
a headway and we had to stand back  
and see our goods burn. We have no  
idea how the fire started, but we are  
inclined to the belief that the store  
was first robbed and then set on fire.  
Fresh buggy tracks were seen in front  
of the building, and it may be that  
the intruders stepped from the buggy  
to the porch and did their work and  
got back in the buggy. As Mr. Ham-  
monds' bloodhounds, which we sent for,  
failed to get a trail, we are inclined to  
this theory." The fire was a large  
one, and with no fire apparatus to  
stop it, there was never any hope of  
extinguishing the flames, Mrs. Ham-  
monds said.

Always be safe by having your  
property insured in the companies  
represented by Jesse D. Wearlen, the  
insurance man. 49-1

## Miss Rankin Goes to Richmond.

Miss Eva Rankin left yesterday for  
Richmond, Ky., where she will attend  
the summer Session of the State  
Normal School. Miss Rankin is the  
daughter of Mr. and Mrs. J. M. Ran-  
kin and one of the most popular and  
energetic candidates in the big Travel  
Tour and Prize Contest. While her  
school work may handicap her some-  
what in her race for the prizes, her  
enthusiasm and the fact that she is  
making an active campaign and with  
the help of her many friends, she will  
undoubtedly give a good account of  
herself at the last. Friends having  
subscriptions for her may address  
her at Sullivan Hill, State Normal  
School, Richmond, Ky., or votes and  
subscriptions may be sent to her  
mother, Mrs. J. M. Rankin, R. F. D.  
No. 2, Stanford, Ky.

## Harrodsburg Plant's Good Report.

The Leader has this to say about  
Harrodsburg's electric plant, which  
the municipality owned. The plant fur-  
nishes 24-hour service and sells its "juice"  
at seven cents per watt. The re-  
port of John H. Grimes, of our munici-  
pal lighting plant, for the month of  
May was a good one, being over \$950.  
If the receipts keep up Harrods-  
burg will get a nice dividend from  
now on. One good business stroke was  
the selling of waste steam to the Har-  
rodsburg Ice & Cold Storage Co.  
They paid in \$232 in May and for  
June they will likely consume at least  
\$350 worth.

## Will Burns Buried In County.

Will Burns, who has been in the  
railroad business for a long time,  
died at his home in Covington and  
the remains were brought to the Ash-  
lebury burying ground and laid to rest  
at 2:30 Monday afternoon. He had  
worked for the L. & N. at Etowah,  
Tenn., for a long time and was a  
member in good standing of Etowah  
Masonic Lodge No. 653. A number of  
members of that lodge came to the  
burial and several from the lodge here  
attended and took part in the burial.  
Mr. Burns had many friends in Lin-  
coln county who learned of his death  
with much regret.

## Killed By Lightning.

Mrs. Spears Fisher received Satur-  
day the news of the killing by light-  
ning of her brother, Hawk Royalty,  
near Belgrade, Montana. He was  
working on a ranch when the bolt  
struck and instantly killed him. De-  
ceased was about 50 years old and is  
survived by his wife, who was Miss  
Eva Elliott, of Somerset, and four  
children. The burial occurred at his  
adopted home. For some years Mr.  
Royalty was connected with the Q. &  
C. at Stor. He was a son of the  
aged William Royalty, of Yosemite,  
was a clever man and good citizen.

## Help The Good Cause.

Owing to the heavy rains there was  
not oil enough to complete the oiling  
of the streets. Many who are enjoy-  
ing the benefit of the oil have not  
contributed and the committee is em-  
barrassed by lack of funds. Now if  
this means you, will you not come  
forward unsolicited and help those  
who have worked so faithfully to add  
to the comfort and sanitation of the  
town?

"Becky," all revering her sweet  
and placid disposition so much. She  
had often expressed the wish to her  
loved ones that she wished to die suddenly,  
she did not want them called on to see  
her suffer as it would be so hard upon  
them. She was in her 60th year and  
was a woman of wonderful vitality,  
ever foremost and willing to help in  
all good work, long a faithful and  
ardent worker in the W. C. T. U. On the  
morning of her death she expected to  
go to the cemetery to decorate the  
tomb of the departed members of  
the local union. She is survived by  
the following children: Mrs. George Rob-  
inson, of Danville, Misses Fannie and  
Bettie West and James West, of this  
city and Jack Hiatt, of this county  
and W. A. Hiatt, of Lexington, and a  
half-sister, Mrs. Fannie Farrar, also  
of Lancaster.

## Indigestion and Constipation.

"About five years ago I began tak-  
ing Chamberlain's Tablets after suf-  
fering from indigestion and constipa-  
tion for years without finding any-  
thing to relieve me. Chamberlain's  
Tablets helped me at once and by  
using them for several weeks I was  
cured of the complaint," writes Mrs.  
Mary E. McMullen, Phelps, N. Y.

## 19 REPUBLICAN DELEGATES NAMED AT COUNTY CONVENTION SATUR- DAY TO GO TO LEXINGTON

Nineteen delegates were named  
Saturday from all parts of Lincoln  
county to the republican state plat-  
form convention which will be held  
at Lexington today. Resolutions  
adopted strongly condemn the present  
democratic state administration, en-  
dorse the county unit law and what-  
ever means may be necessary for its  
strict enforcement. Hon. Edwin P.  
Morrow, of Somerset, who will be the  
republican candidate for governor,  
was given hearty endorsement by the  
Lincoln county convention, as was  
County Clerk W. C. Cundiff, of Cas-  
sey county, who is a candidate for the  
republican nomination for clerk of the  
Court of Appeals. The call upon re-  
publican Judge Lewis L. Walker, of Lan-  
caster to make the race for Circuit  
Judge in this district was made and  
high tribute was paid to his work  
when he was Judge before. A  
cordial invitation was extended to  
the Bull Moose to return to the  
G. O. P. fold and the delegates were  
instructed to vote as a unit on all  
propositions.

## DRY RIDGE, PULASKI.

The expected and predicted has been  
pulled off—dramatically of course—  
The wise and gifted in game of  
Politics recognized the necessity of  
important elements and methods es-  
sential to harmonious team work of  
Woodrow and William J. and are not  
surprised. The ulterior promptings  
of Mr. Bryan's resignation may be  
trailing to a more serious and seri-  
ous question, a conservative, but there  
is a like number of the uncharitable  
and speculative who anticipate an ear-  
ly transfer of the spellbinder's stunts  
from the political stage to the lecture  
platform and the pulpit where oppor-  
tunities for misce on scenes for gal-  
lery plays are multiplied, and revenues  
enlarged. Whilst acutely embarrassing  
to the President the Samson has not  
shattered the main pillars of the tem-  
ple and but a teapot tempest is prob-  
able consequence of present commo-  
tion. Politics are serious and seri-  
ous. Mr. Bryan but the most zealous ap-  
ostles of peace, peace, peace agree there  
are limitations to forbearance in mat-  
ters of national aggression and insol-  
ent defiance. God grant that Ameri-  
ca may never again be embroiled in  
war and may H. C. ever be a Prince of  
Peace without avowed mission to  
"send a sword and foment domestic  
dissensions." But keep off Uncle  
Sam's toes. Watchful waiting and  
waiting watchfully are supremely  
commendable. Conservatism and De-  
mocracy (Republicanism) should be  
synonymous and the animus of every  
civilized government. War is hell and  
naturally, only devils incarnate pre-  
cipitate it. Survivors of our Civil War  
shudder at memories of that, then ti-  
dantic fight and its horrors and know  
that it was a midged play at war in  
contrast with the wholesale slaughter  
now rampant in Christian Europe.  
Peace, always peace, but there'll never  
be complacent turning of the other  
cheek till swords are bent into scythes  
and foxes and fowls fraternize.

## German-French-Scottish-American.

## Wilson and Fight on Liquor.

That President Woodrow Wilson is  
in sympathy with the fight now being  
waged against the liquor interests in  
different states all over the nation is  
clearly and indisputably shown by his  
recent correspondence and subject  
with prominent democrats. Efforts to  
put the President in any other atti-  
tude by self-seeking politicians in this  
Kentucky campaign do him a great  
injustice. President Wilson has al-  
ways taken the moral side upon every  
question and that has come to be his  
letters show it. Wherever the fight  
against the saloon, the brewery or  
the distillery has been waged, he  
has been found arrayed against them  
and their pernicious influences, from  
the moment when the temperance  
question first became a subject of  
discussion and the county unit propo-  
sition was the first step in the fight  
up to the occasion when Texas voted  
on state-wide prohibition. An ex-  
pression was sought from Woodrow  
Wilson in both great contests and as  
usual, he was found on the right side.  
Efforts on the part of men who are  
waging political battle for liquor in-  
terests in the present campaign in  
Kentucky to induce President Wilson  
to repudiate the position he took  
when state-wide prohibition was the  
issue in Texas, met the straightforward  
and merited response from the  
President that "it would be arrogant  
on my part to state that there were in  
my opinion no circumstances which  
justified an agitation for state-wide  
prohibition" and in this letter stated  
also: "I was not self-opinionated  
enough to say what the proper course  
of action was either in Texas or in  
any other state where I was not per-  
sonally in touch with the conditions  
obtaining."

## Card of Thanks.

To all our dear friends and neigh-  
bors, who so kindly and generously  
gave their presence and assistance to  
us in our hours of grief, to the Ma-  
sons who so nobly conducted the fun-  
eral and Mr. Smith, we extend our  
heartfelt thanks and gratitude and  
will remember your kind thought-  
ful out our lives.—Mrs. James P. Goode  
and family.

The grand jury of Jessamine county  
fully exonerated J. E. Wallin for  
killing one of a band of robbers who  
had entered a freight car at High  
Bridge and were helping themselves  
to its contents.

arrhoea remedies, but the only one  
that has given me entire satisfaction

## FEARFUL FREIGHT WRECK NEAR GRAVEL SWITCH

Eighteen Cars Of Freight Train No.  
56 Leave Track Sunday Afternoon  
Tramp Killed—Brakeman Hurt

Sunday afternoon about one o'clock  
eighteen cars of freight train No. 56  
left the track near Gravel Switch and  
were piled in heaps on both sides,  
negro boys were killed, an iron rod  
running through him, entering at the  
pit of the stomach. It was so tightly  
imbedded that the tap had to be re-  
moved before the rod could be with-  
drawn. Of course death was instan-  
taneous. Was only at Cozatt, a few  
miles South, the brakeman James  
Merston had put the negro and a  
white boy who were beating their way  
off the train, and the negro jumped  
back. Nothing is known of his  
whereabouts. Mr. Merston, who had  
recently been put back to breaking,  
after running a train for several years,  
company compelling a cut down of  
the engine and when he felt the jar of  
the train he jumped, sustaining a  
wrenched back and a few cuts and  
bruises. Traffic was suspended for  
several hours. The wreck was a costly  
one, as many of the cars and their  
contents were smashed to smith-  
ereens.

## Married In Danville.

Dr. Jack M. Casey, a young veteri-  
nary surgeon of Lancaster, and Miss  
Willie Wilkinson, also of Lancaster,  
were married Thursday evening  
last at Danville by Rev. H. C. Gar-  
rison. They were accompanied by Mr.  
and Mrs. Arthur Joseph. The groom  
is a promising young man in his pro-  
fession, while his bride is a charming  
young woman. She is a daughter of  
Mr. and Mrs. E. B. Wilkinson, who  
lived in this city for several years  
and she has many friends here and  
elsewhere who feel to congratulate  
the man who has won her. Dr. and  
Mrs. Casey and Dr. Wheeler, also of  
Lancaster, were entertained by Miss  
Gertrude Wilkinson at her home on  
Lancaster street Sunday evening.

## Good Judges Secured.

The promoters of the Knights of  
Pythias Fair feel to congratulate  
themselves on securing as judges for  
the exhibition which will be held here  
Aug. 18, 19 and 20, the well-known  
horsemen, John Dolan, of Lexington,  
and J. S. Boyd, of Shelbyville. Both  
are high class gentlemen and know the  
horse as well as anybody. It took con-  
siderable "inducement" to get these  
gentlemen to serve but when the K.  
of P. go out for a thing they usually  
do it. Mr. Dolan served as judge  
last year and gave perfect satisfac-  
tion. Mr. Boyd is known to many of  
our horsemen as being a straight for-  
ward gentleman and an excellent  
judge of horse flesh.

how to prepare for such openings and  
they propose to make this one the  
biggest and best in the last decade.

decent of the price, which is only \$750  
for a five passenger car as for one  
with the merits of his favorite machine.  
Mr. Baughman has used this make of  
cars for several years.—Lancaster

## \$100,000 BOND ISSUE LIKELY TO BE VOTED ON

Fiscal Court Favors Election on Bond  
Issue to Keep Up Roads—Pres-  
ent Allotment Too Small.

It is not at all unlikely that the  
people of the good county of Lincoln  
will be called on in the next two or  
three months to vote on a bond in-  
sue of \$100,000 with which to keep  
up the roads of the county. The  
present allotment of about \$28,000 is  
insufficient and the members of the  
fiscal court are united in the belief  
that a bond issue is necessary. Of  
the \$23,000 that now goes to the  
maintenance of roads, fully \$8,500  
is taken to keep up the dirt roads,  
leaving less than \$15,000 to keep in  
order the 186 miles of pike. A meet-  
ing is called for Thursday to further  
consider the bond issue and in the  
meantime County Attorney W. S.  
Burch has been commissioned to get  
the legal call for an election in readi-  
ness. Quite a crowd of taxpayers  
were present yesterday when the fi-  
scal court considered the proposition,  
and its action met the approval of the  
majority of them. Senator Charles  
F. Montgomery, of Liberty, addressed  
the court on the Dixie Short Route,  
which it is proposed to route through  
Liberty, Hustonville, Danville and  
other towns, and asked that the road  
from the Casey line to Hustonville  
be put in good condition. Mr.  
Montgomery is of the opinion that the  
Dixie Short Route is a certainty and  
is anxious that the route from his  
county of Casey show up good. There  
is sufficient time to discuss the feasi-  
bility of the bond issue after the elec-  
tion has been called and this paper  
will then do so from time to time.

## J. W. Newman Makes Strong Speech.

Hon. J. W. Newman spoke here on  
court day in behalf of his candi-  
dacy for Governor and made a fine  
impression. He expressed himself in  
no uncertain terms on the issues now  
confronting the people. On the tem-  
perance question he was in favor of al-  
lowing the people to vote on an  
amendment to the constitution so as  
to take a state-wide vote if they so  
desire, says that if such a question is  
submitted, he will vote for it. He paid  
his respects to the other candidates  
for governor, especially McChesney,  
who he claims has been a lobbyist for  
Frankfort in behalf of the co-opera-<

## The Interior Journal

WALTON & SAUFLEY, Editors and Managers  
\$1.00 A YEAR STRICTLY IN ADVANCE  
Entered at the postoffice at Stanford as second class mail matter

**POLITICAL ANNOUNCEMENTS**  
The Interior Journal is authorized to announce the following candidates for office, subject to Democratic primary, Aug. 24th, 1915:  
For Circuit Judge  
C. A. HARTMAN, of Mercer County.  
CHAS. C. FLETCHER, of Boyle County.  
For Commonwealth's Attorney  
E. V. PURYEAR, of Boyle County.  
J. R. OWEN, Jr., of Lincoln County.  
For Railroad Commissioner  
WM. F. KILPATRICK, of Fayette County.  
J. E. NEWMAN, of Nelson County.  
For Circuit Clerk  
JESSE D. WEARLEN  
MARSHALL C. NEWLAND.  
For Representative in Legislature  
W. G. GOODICH.

Justice Day, of the Supreme Court, upholds the decision of the Kentucky Court of Appeals in the case against the Adams Express Co., for bringing whisky from Tennessee into Whitley county, this State, "dry territory." Under that decision the conviction of the express company was set aside. The court did not determine the constitutionality of the Webb-Kenyon law, nor did it pass on its constitutionality. By this decision the Government lost the most important criminal prosecution that has yet come to trial under the Sherman-law and what was regarded by former Attorney General Wickersham and Attorney General Gregory as probably the most far-reaching suit of the kind in the Government's long list of prosecutions of "trusts."

President Woodrow Wilson's hands were upheld and his policies with regard to the foreign relations of the United States were endorsed at a meeting of veterans of the Federal and Confederate armies and of the Spanish War held at the Hotel Henry Watterson in Louisville yesterday. Resolutions commending President Wilson's course in the stand he has taken for American rights and immunities as affected by the war in Europe were adopted and the undivided support of the veterans was pledged to him in whatever eventualities may come.

The republicans heretofore delight in speaking of Ed C. O'Rear as a "dead one," but they seem to think a little differently in his home town of Frankfort. He was elected Saturday a delegate from Franklin county with power to vote and act in any manner he may see fit in regard to a statewide prohibition plank in the platform. And it is useless to state that he will be heard from in the convention, which opened at Lexington today.

Billy Sunday took in \$107,000 in Des Moines, Philadelphia and Patterson, N. J. That sounds mighty big, but when it is stated that there were 74,353 professions as the result of his meetings, we will have to admit that the investment was not a bad one for those who gave of their means to bring the ex-base-baller to their home towns to preach.

Prohibition agitators will attack the tobacco industry if action wide prohibition is obtained, according to speech made yesterday before the Wholesale Liquor Dealers' Association.

### TO SPEAK AT DANVILLE

Temperance Candidate For Nomination Coming To This Section

H. V. McChesney, the temperance candidate for the democratic nomination for governor, will soon be heard up in this part of the state. He has been speaking to tremendous crowds in western Kentucky and his friends believe that he will sweep that section of the state by a tremendous vote. The first speech in this section will be at Harrodsburg on Friday, June 18 at half past one o'clock in the afternoon. The same evening he goes to Perryville to speak at 7:30 o'clock, and on Saturday, June 19, he will speak at Lancaster at 1:30 going that night to Bryansville for a speech.

On next Monday, which is county court day at Danville, Mr. McChesney will speak in the court house there at 1:30, and is already assured of a tremendous audience. He is a splendid stump speaker and his liquor interests and their efforts to control the democratic party in Kentucky, sledgehammer blows. He will be billed to speak in Stanford a little later in the campaign and will cover this section of the state as thoroughly as he has the western.

First Baptist Church, Lexington, Dedicated.

The magnificent new church building which has just been completed by the First Baptist church of Lexington was formally dedicated Sunday with impressive ceremonies, in which the leading churchmen of the South took part. Baptists from all over Central Kentucky went to attend the dedication and many of the other Baptist churches of Lexington closed their doors so that their members could join in the celebration with the congregation of the splendid new building. The new church cost in construction about \$100,000, and with the installation of a mammoth pipe organ and chimes the total expenditure will be about \$125,000. There was a debt of about \$30,000, but at the service Sunday morning \$33,000 was voluntarily subscribed and the indebtedness was wiped out. There were three separate services held as part of the dedication ceremonies, the first beginning at 10:30 o'clock, when Dr. Lansing Burrows, of Americus, Ga., one of the most distinguished Baptist clergymen of America, and former pastor of the church, preached a sermon, and the Rev. Preston Blake also a former pastor, delivered the dedicatory prayer, the services concluding with a thanksgiving and benediction by Dr. T. C. Stackhouse, Dr. M. D. Early, pastor of the Stanford Baptist church, read the scripture lesson of the dedicatory sermon and later preached to the overflow in the Sunday school room of the immense church building. An afternoon session was held at which there were talks by a number of Baptist divines and laymen of that church, and at which a beautiful musical program was rendered. In the evening Dr. Preston Blake preached and another splendid musical program was given. Baptists were present from all over Kentucky and the South and it was probably the biggest Baptist day Lexington has ever seen.

Nine-year-old E. Hogge, of Morehead, fell from the belfry of the Baptist church and was fatally injured. Henry Lewis was held over to the Boyle grand jury in \$50 for hunting without a license.

### LATEST WAR NEWS.

Germany claimed another decided success along the eastern line, near Moselka. Both the Berlin and Vienna reports claim the Teuton allies have taken 15,000 Russian prisoners. The Russian official report only mentions the locality where the action is said to have taken place in a paragraph which says the Austro-Germans, after heavy losses did not resume the offensive.

Berlin claims that the French suffered a severe defeat on the front north of Soissons, and Paris admits the loss of German trenches previously captured.

The full returns of the Greek elections are not yet available, but the triumph of M. Venizelos, former Premier, seems certain.

Great Britain faces the issue of another \$1,250,000,000 war budget, which, it is expected, will be announced in the House of Commons today.

President Wilson, it is stated, feels encouraged by reports that the pending negotiations between Germany and the United States will likely have a peaceful outcome. Senator Simmons after calling on the President, said that Congress should provide more American ships, though he did not think an extra session would be called. It was learned that no note would be sent to Great Britain in all probability until the Berlin negotiations had taken shape.

ELAINE—FRIDAY—"Heeza Liar."

There were probably 400 cattle on the market yesterday and they were all sold. There was a brisk demand and the prices were high. Most all were sold by the head and some fancy prices were realized. Some of the buyers claimed that they were paying close to 8c.

Henry Murphy, of Mt. Sterling bought about 100 cattle during the day, paying from \$25 to \$40. He sold about 40 of them and took the balance back with him. Mr. Murphy is a strong buyer and is here almost every court.

Dull in County Court.

Very little was doing in the county court yesterday. Some routine business was attended to and the will of Mrs. Jane C. Newell was probated. B. F. Hudson and Jesse Doty, both of Lancaster, were witnesses to the signature of the document, which leaves her effects to her daughter, Mrs. Jesse C. Fox. Mrs. Newell had other children, but she states that Mrs. Fox had taken care of her in her old age and she thought it right that she should be rewarded. Her property consists of a small farm and some \$1,500 in cash and notes.

Mrs. E. M. Watts, of Louisville, is the guest of Misses Bettie and Mattie Yaxton.

Large crowds continue to gather at "Robinson's Big Sale."

"My weight was 127 1/4 pounds; now it is 147 1/2, and I can eat anything I want. I sleep well at night. I would have written before, but I wanted to see how I got along."

J. Fox Dudderar bought here Monday from various parties 16 cows at \$42.25 per head.  
W. M. Poynter, of Mt. Vernon sold to J. M. Craig, of Quail, 17 hogs at seven cents a pound.  
John F. Oatts, of Wayne, sold here yesterday 100 stock hogs, cows and steers at \$27 to \$42. They were a good lot and went in a jiffy.

Jones & Cress sold here yesterday 15 yearling steers at \$31; five cows to J. Fox Dudderar at \$42 and to J. B. Foster a black bull for \$50.  
Charles Oatts, of the McKinney section, has a fine alfalfa field of five acres, from which he cut 16 big wagon loads a short while ago and which is almost ready to cut again.

An egg with a corrugated shell was brought to town by J. M. Gooch, of near Goshe Saturday. Instead of the shell being smooth as a floor, it had a corrugated effect and presented a most peculiar appearance.

J. M. Roberts, of Somerset, was here as usual yesterday. He sold out early in the morning and left for his home. He sold to Murphy, of Mt. Sterling, 23 yearling steers at \$25 and a cow for \$30; to Jake Robinson a bull for \$55 and to John W. Spires five calves at \$17.50.

Brown & Lawson, of Lancaster, have bought quite a bunch of hogs in the Goshe section in the past few days. From J. M. Gooch they got 35 which were in prime shape, averaging 208 pounds, and paid seven and a quarter cents a pound for them. From W. D. Gooch they bought half a dozen averaging 200 pounds, at seven and a quarter cents and a couple of the same weight from J. E. Gooch at the same figure.

George D. Boone, the Ottenheim trader, was at Richmond last court day and sold 29 head of mixed cattle at from \$24 to \$40 a head. He bought a bunch of 112 pound hogs from J. C. Hundley, near D. K., at six and a half cents a pound; from Louis Cook, who bought the old Petrey place, south of Ottenheim, he bought 23 head of mixed cattle at \$29 a head; from Ed Gooch, of Crab Orchard, Mr. Boone purchased 12 mixed sheep for \$45; from Chas. Utter, near Ottenheim, he got 14 stock hogs at seven cents a pound; and a couple of 140-pound porkers from Ernest Stickler at seven cents. Doc Jadgett sold the same buyer a bull for \$25.

A. R. Matheny sold to Center Bros. a bunch of heifers at six and a half cents.

S. P. Stephenson delivered to Jas. Yowell, of Hustonville, 42 lambs that weighed 72 pounds at \$7.85 and 13 hogs that averaged 225 pounds at seven cents. He sold him more hogs to be delivered after July 10 at seven and one half cents.

W. D. Hanson & Son, of the Moreland section, are entitled to the blue ribbon as lamb raisers. They delivered to Allen & Myers, the West End buyers, Saturday 91 lambs that averaged 76 pounds at nine and three quarter cents. Can anybody in these diggings beat that? If so let them tell the I. J.

R. L. Smith, who was here from Hiatt, Rockcastle county, yesterday told an I. J. man that he bought eight yearling cattle of Will Adams for \$200 and sold them to Ballard & Rigby for \$5 profit; to J. M. Cress he sold 11 heifers for \$375 and to Ballard & Rigby 12 steers at a "live and let live" price.

A good crowd attended the sale of the effects of the late J. J. Thompson, near Procherville Thursday and satisfactory prices were realized throughout. 32 hogs weighing 250 pounds brought \$7.25; cows sold at \$80 to \$105; horses at \$60 to \$125; several two-year-old black steers sold at \$75; corn brought \$3.54, farming implements and household and kitchen furniture sold well. A splendid dinner was served. A. M. Bourne cried the sale.

**Claim They Did It Accidentally.**  
Joe Will, Burch and Richard Baughman, all little colored boys, were arrested by Chief B. D. Carter on the charge of breaking the glass in the front window of Baptist church. They confessed that they did it, but claimed that it was purely accidental. The police judge, Dr. R. L. Davidson, told them they could have the glass replaced, but if they failed to do so, he would send them all to jail. They promised to repair damages.

## All Blood Disorders Quickly Driven Away

Astonishing Results With the Greatest Blood Purifier Ever Discovered.

Strength, Power, Accomplishment are all Typified in S. S. S.

Some blood disorders become deeply rooted in the glands and tissues, and the mistake is made of resorting to drastic drugs. These only aggravate by causing other and worse troubles. A host of people know this to be true. They know from painful experience. To get right down into where the blood is vitiated requires S. S. S. the greatest blood purifier ever discovered. This remarkable remedy contains one ingredient, the active purpose of which is to stimulate the tissues to the healthy selection of its own essential nutrient and the medicinal elements of this matchless blood purifier are just as essential to well balanced health as the nutritious elements of the meats, grains, fats and sugars of our daily food. Not only this, but if from the presence of some disturbing poison there is a local or general interference of nutrition to cause boils, carbuncles, abscesses and kindred troubles, S. S. S. so directs the blood cells that this poison is rejected and eliminated from their presence. Then, too, S. S. S. has such specific stimulation on these local cells as to preserve their mutual welfare and a proper relative assistance to each other. In a very brief time S. S. S. has the reconstructive process so under control that remarkable changes are observed. All eruptive places heal, mysterious pains and aches have disappeared, and from head to foot there is a conscious sensation of renewed health. From the fact that S. S. S. is purely a botanical preparation, it is accepted by the weakest stomach and has great tonic influence. Not one drop of drugs or minerals is used in its preparation. Ask for S. S. S. and insist upon having it. And if you desire skillful advice upon any matter concerning the blood and skin write to The Swift Specific Co., 235 Swift Bldg., Atlanta, Ga. Do not allow some zealous clerk to harp the atmosphere in eloquence over something "Just as good" as S. S. S. Beware of all counterfeits.

## KENTUCKY TAXPAYERS, WHICH DO YOU WANT?

### WEST VIRGINIA

State Wide Prohibition  
Paralyzes the  
State.

Higher Taxes—Worse Conditions.

The West Virginia Legislature convened in May, the second time this year, to consider tax questions made necessary by a shortage of revenues to pay the current expenses of the State.

The inauguration of State-wide prohibition, last July, cut off \$650,000.00 of revenues heretofore available.

At the close of the fiscal year, September 30, 1912, the State had a surplus in the treasury of \$592,475.39.

The Governor estimated that on July 1, 1915, there would be a deficit of \$624,000.00, not counting \$850,000.00 of old appropriations not expended.

The Legislature, at the May special session, increased the tax rate in the State 40 per cent to make up the deficit in revenues caused by the State-wide prohibition system.

For lack of funds, Governor Hatfield vetoed appropriation bills amounting to \$858,868.09. Among the vetoed appropriations are the following:

Transportation of prisoners and extradition of criminals, \$5,000.00 a year;

Girls' dormitories and agricultural buildings, State University, \$100,000.00;

State Industrial Home for Girls (buildings and lands), \$10,000.00 for next year;

Normal Schools (buildings and lands), \$80,000.00 a year;

State Tuberculosis Sanatorium (buildings and lands), \$15,000.00 a year;

State hospitals (buildings and lands), \$25,000.00 a year;

Public Service Commission, \$60,000.00 a year;

Mining extension work, State University, \$10,000.00 a year;

Civil contingent fund, \$20,000.00 for current year;

Rewriting and rebinding Auditor's records, \$5,000.00 a year;

Protection of forests and propagation of fish and game, \$10,000.00 a year;

Prevention foot and mouth disease, \$5,000.00;

State militia fund, \$65,000.00 a year;

Repairs and improvements, State Institutions, \$5,000.00;

Hotel Inspector, \$1,562.50;

State Colored Orphans Home (buildings and lands), \$3,000.00 a year;

State Librarian, \$500.00 a year;

Point Pleasant monument, \$2,500.00 a year;

King's Daughters and city hospitals, \$10,000.00 a year;

Factory inspectors, \$4,000.00 a year.

Since the adoption of prohibition, violations of the liquor laws have increased enormously. Bootleggers are busy all over the State. On the first day of May, 1914, before prohibition went into effect, there were 39 prisoners in the county jail at Charleston, the capital of the State. On the first day of May, 1915, there were 92 prisoners in the same jail.

## Kentucky Facts and Figures.

### WHO PAYS THE TAXES?

All live stock of all kinds in Kentucky—horses, mules, cattle, hogs, sheep, etc., are assessed at \$52,148,637.00  
All mines and mineral products are assessed at 1,473,653.00  
All stocks, merchandise, etc., are assessed at 31,148,282.00  
All manufactured articles are assessed at 3,364,419.00  
All agricultural products and farming implements (tools) are assessed at 2,514,349.00  
All diamonds, watches, clocks, jewelry, gold and silverware, paintings, musical instruments, and libraries are assessed at 2,902,735.00

\$31,387,000.00 is the capitalization of Kentucky distilleries and breweries, according to the last Federal Census, is the assessed value of Whisky in U. S. Bonded Warehouses, in Kentucky, on which State and county taxes are paid.

\$19,250,000.00 is the assessed value (approximately) of properties used in the distilling and brewing industries and liquor trade in Kentucky, not including any part of items given above.

\$6,500,000.00 is the amount paid out annually in Kentucky by distilleries for grain.

\$2,290,000.00 is paid annually for wages and salaries by Kentucky distilleries and breweries.

\$2,405,000.00 is paid annually for coal and barrels by Kentucky distilleries and breweries.

\$600,000.00 annually is paid to Kentucky Banks in interest to \$900,000.00 by Kentucky distilleries and breweries.

\$60,000,000.00 annually is brought into Kentucky in bank clearances by the distilling and brewing industries.

\$921,254.15 is the amount paid in taxes in Kentucky by the distilling and brewing industries in 1913, as given by statements from the State Auditor's office.

This sum is more than the combined taxes paid on all the merchandise, coal mines, oil wells, live stock, agricultural products, and manufactured products in the State.

State-wide prohibition will destroy entirely, for taxation purposes, these sources of revenue. Other property must then be taxed heavier to make up that loss.

**If Farm Lands are compelled to pay it, the tax on farms must be 50 per cent more than at present.**

**If Live Stock is made to pay it, that class of property must be taxed three times what it is at present.**

**If Railroads are to pay it, their assessment must be doubled.**

**If Mining Property is required to pay it, their assessment must be increased to more than 100 times what it is now.**

**WHO IS WILLING TO PAY THESE EXTRA TAXES?**

And what will we get? Conditions similar to those in Tennessee and West Virginia, and we will drive out of the State our largest taxpaying industries.

Nothing will be gained for temperance. Counties can vote themselves as "dry" under the present law as State-wide prohibition could make them.

### TENNESSEE

Six Years of State Wide  
Prohibition Bank-  
rupts State.

More Crime Than Ever Before.

Tennessee has had State-wide prohibition for six years.

Before the prohibition law went into effect, 10 per cent of the revenues of the State were applied to paying off the State debt, as provided by law, thereby rapidly discharging it. Since prohibition deprived the State of large revenues from taxes on the manufacturers of liquors and beer, the sinking fund law was suspended, and payments on the State debts stopped.

The present Legislature found that there was a deficit in State revenues of \$1,022,000.00. Short-time notes have been given to cover that deficit, the same to be converted into 30-year bonds next July. This will increase the bonded indebtedness of the State to a total of \$12,500,000.00.

Taxes have been largely increased. The State Manufacturers' Association, in 1914, stated in its report on Taxation:

"There is a tendency throughout the State to increase taxes on an already overburdened people, both by constant increase of the assessment as well as the rate."

Since that report was made, the Legislature has passed a new Revenue and Assessment Act, increasing many kinds of taxes from 40 to 100 per cent, the entire tax burden being nearly twice what it was before prohibition went into effect.

In 1908, the year before State-wide prohibition was adopted, the cost of criminal prosecutions in Tennessee was \$158,000.00. According to official figures submitted to the Legislature that has just adjourned, \$342,000.00 was expended for criminal prosecutions last year. This shows an increase of nearly 100 per cent in crime in six years under prohibition.

The city of Nashville recently issued bonds for \$987,000.00 to cover a deficit caused largely by the operation of the prohibition law. The other large cities of the State are in a similar financial condition, due to the same causes.

In Tennessee, prohibition has not helped the taxpayer, nor has it improved moral conditions. Exactly the reverse has been the result. Large numbers of extra officeholders, and greatly increased expenses for their support and for prosecuting violations of the law, are the main features of present conditions.

Blind tigers, bootleggers and moonshiners have taken the place of lawful, regulated liquor traffic; there has been a steady increase in all crimes; moral standards have been lowered; and TAXES HAVE DOUBLED.
